

\$25,000 IN ONLY 25 DAYS AGAIN AND AGAIN!

HOW? WITH THE STAMPFLIPPING.PRO OPPORTUNITY!

Principle #1: Postage stamps are the same as guaranteed cash money.

Principle #2: In the mail order/direct mail business, stamps are the largest expense.

Principle #3: Therefore, if you can **dramatically increase your intake of free stamps while eliminating your expense in buying them**, you are now way out in front of the curve in your daily work-from-home business efforts!

When you join STAMPFLIPPING.PRO you will start out with a small and reasonable purchase of only five books of US Forever stamps from your local post office. You will send one book of stamps to each of five people who are participating in the program with you (your team). When you promote the program using your personal invitation letter to STAMPFLIPPING.PRO, your goal is to get at least 10 people to join with you. Those 10 people will do exactly the same thing, inviting 10 new members to join you. Every new member will join with the goal of bringing 10 new members to the opportunity:

10 members X 20 stamps each = 200 stamps

100 members X 20 stamps each = 2000 stamps

1000 members X 20 stamps each = 20,000 stamps

10,000 members X 20 stamps each = 200,000 stamps

>>>> Total 222,200 stamps X .55 cents each = \$122,210

TWO QUESTIONS: (1) How long will it take me to generate only \$25,000?
(2) Will that motivate me to repeat the process?

ANSWERS: (1) Others have done it in 25 days.
(2) If it doesn't, will ANYTHING motivate your success?

Would you like to earn \$5,000 a week? You can do it starting with only 100 stamps!
